

SPECIAL NEW SESSION ADDED TO FALL 2020 ZOOM WORKSHOP SERIES FOR CAREGIVERS OF PERSONS LIVING WITH MEMORY LOSS

Hope Young is the Advance Care Coordinator for Kōkua Mau <https://kokuamau.org>, providing community awareness. She coordinates the [Let's Talk Story](#) Program. Hope joined Kōkua Mau in 2017 under a generous grant from the Stupski Foundation. She has worked in various capacities with seniors and the caregiving community for over 15 years. Hope has a Bachelor's degree from the University of Hawaii West Oahu in Public Administration with a concentration in Healthcare Administration. Hope enjoys being out in the community and sharing the importance of [Advance Care Planning](#) and hopes to someday normalize "The Conversation" to ensure that everyone's end-of-life wishes are expressed and honored.

Dorothy Colby is a Certified Positive Approach to Care™ Trainer and National Support Mentor, with more than 20 years of professional and personal experience caring for people living with dementia. She is Director of Community Engagement for Hale Ku'ike Memory Care Home at Nu'uuanu, Bayside & Pali locations, homes devoted to excellence and current international best practices in dementia care and environment. Her Positive Approach to Care™ workshops provide essential information for families and professional care partners on how to have a positive and meaningful relationship with loved ones with Alzheimer's disease and other forms of dementia throughout their journey. Her trainings focus on understanding what is happening to the brain, so that we can empathize, adjust our approach and expectations, and be able to connect and support those who are living with dementia.
