

THE QUEEN'S MEDICAL CENTER CONFERENCE

THE FINE ART & SCIENCE OF PAIN & PALLIATIVE CARE

Monday, November 11, 2024

8:00 am – 4:30 pm
The Salvation Army
Kroc Center - Hawai'i
'Ewa Beach, O'ahu

Open to all health care
professionals in and
beyond Hawai'i.

**THE QUEEN'S
HEALTH SYSTEMS**

ABOUT THE CONFERENCE

Meeting patients' pain and palliative care needs demands a balance of the best of the art and science of caring. Challenges such as safely and effectively treating pain and maintaining resilience and presence can leave one with the feeling of staring at a blank canvas. This conference has gathered multi-talented experts to share the state of both the art and the science of pain management and palliative care, to inspire you with their creative presentations, and take you from a blank canvas to a larger palate of care options to create your masterpiece in meeting patients's pain and palliative care needs.

We are delighted that our conference is returning this year to an in-person format. As always, we look forward to a day of learning, networking and renewal with our community peers of physicians, nurses, social workers, chaplains, and other healthcare professionals.

CONFERENCE CHAIR

Daniel Fischberg, MD, PhD, FAAHPM

Medical Director

Pain & Palliative Care Department

The Queen's Medical Center

Professor and Chief, Division of Palliative Medicine

Geriatric Medicine Department

John A. Burns School of Medicine, University of Hawai'i

EDUCATIONAL OBJECTIVES

At the end of this course, participants will be able to:

- Identify complex pain management situations which may benefit from a collaborative care approach.
- Identify best practices for spiritual screening, history, and assessment.
- Utilize a compassionate communication framework to address hope and miracles.
- Identify the palliative care needs in patients with kidney disease.
- Describe the role of concurrent care and palliative dialysis as a way to improve patient experience at end of life.
- Understand how children grieve from a developmental perspective.
- Gain knowledge of the clinical research surrounding the use of psychedelic substances among participants living with life-threatening illness.

CONTINUING EDUCATION CREDITS

■ **Physicians** The Queen's Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Queen's Medical Center designates this live activity for a maximum of **6.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

■ **ABIM MOC** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.00 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

■ **Nurses** *AMA PRA Category 1 Credit™* issued by organizations approved by ACCME will be recognized by the American Nurses Credentialing Center (1 CME credit = 1 contact hour) and most other nursing certifying bodies. Check with your certifying body. It will also be recognized by the State of Hawai'i Board of Nursing for license renewal. (Queen's is an ACCME accredited CME provider: #0006372)

■ **Social Workers** This program is approved by the National Association of Social Workers - Hawai'i Chapter (Approval HI62792023-141) for up to 6 Social Work continuing education contact hours.

■ **Other Health Care Professionals** A certificate of attendance will be provided to support your needs.
