

## Advance Care Planning, Advance Directives and Provider Orders for Life-Sustaining Treatment Facilitator Training

This training is offered for nurses, physicians, social workers, and other clinicians and focuses on communication skills to improve ACP discussions. The class will review key elements and processes related to ACP, advance directives and POLST development.

### Course Objectives:

1. Apply advance care planning resources to promote advance care planning discussions.
2. Engage the multi-disciplinary team to patient-centered discussion addressing advance care planning.
3. Promote patients' knowledge of advance directives, including healthcare Power of Attorney designation.
4. Implement correct documentation of Provider Orders for Life-Sustaining Treatment (POLST)-Cardiopulmonary Resuscitation (CPR), Do Not Attempt Resuscitation (DNAR), full and limited treatment, time-limited trials and Comfort Care.
5. Promote correct process of ACP documents, access and utilization in your organization.
6. Identify end-of-life options including Hawai'i requirements on Medical Aid in Dying, Our Care, Our Choice Act.

### CONTINUING EDUCATION:

In support of improving patient care, Hawai'i Pacific Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Hawai'i Pacific Health designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™ for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Hawai'i Pacific Health designates this live activity for 7.5 contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Hawai'i Pacific Health is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and this activity is accredited for 7.5 contact hours for attendance at the entire CE session.

As a Jointly Accredited Organization, Hawai'i Pacific Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Hawai'i Pacific Health maintains responsibility for this course. Social workers completing this course receive 7.5 continuing education credits.

Hawai'i Pacific Health is accredited by the American Psychological Association and designates this live activity for 7.5 continuing education credit. Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). Hawai'i Pacific Health maintains responsibility for the content of the programs.
